Digital Satellite Receiver - Recorder*

disponible sur
ASTRA

**TERMINAL DE RECEPTION
TNT GRATUITE PAR SATELLITE
■ AVEC CARTE D'ACCES TNTSAT**

Go on holiday in High Definition

Specially designed for use in camping or caravanning, with its ultra-compact dimensions and its many features, the ARMIS III is the ideal product for receiving and enjoying the DTT channels available via satellite with TNTSAT, record and review*** your favourite programmes with an external unit.

The remote function of the infrared will allow you to control it when you hide it behind the TV.

With the Live Control Function* you can stop watching a programme or film, go about your business and resume later like a DVD.
