

VEGA 3

Digital Satellite receiver - Recorder*

**TERMINAL DE RECEPTION
TNT GRATUITE PAR SATELLITE
■ AVEC CARTE D'ACCES TNTSAT**

With the VEGA 3 receiver, fully enjoy the free DTT channels in High Definition available by satellite with TENTSAT. User-friendly and reliable, it is ideal for recording* and reviewing your favourite programmes.

The IR Remote Function** allows you to hide it behind the TV to control it without seeing it.

With the Live Control Function* you can stop watching a programme or film, go about your business and resume later as with a DVD.
